ATTACHMENT F: RESULTS OF FIRST YEAR ACTIVITIES

PHAGOAL1: We continue to inspect all housing units annually. We have prioritized our needs for CIAP and CFP monies. We have tested apartments for LBP and asbestos.

PHAGOAL2: We have counseled various residents on homeownership and pledged our support if they choose to pursue homeownership. We do not believe it is feasible at this time to convert any of our rental units to homeownership.

PHAGOAL3: We have implemented flat and ceiling rents and our policy will allow a choice in rent selection. In our new lease and ACOP, preferences in housing will favor working families, homeless, elderly/handicapped and families with hardships.

PHAGOAL4: We continue to ensure Equal Opportunity in housing for all applicants regardless of their needs.

PHAGOAL5: Improving the physical condition of the units and grounds is a constant process. We will upgrade major systems and in the future install air conditioning in units.

PHAGOAL6: The PHA works closely with the city and county law enforcement agencies and obtains arrest information on any tenant for necessary appropriate action. Management and maintenance attend training seminars to improve related skills. PHA assesses and changes/updates policies as needed.

ATTACHMENT G: SUBSTANTIAL DEVIATION POLICY

Policy Defining A Substantial Deviation and Change in the Agency Plan

The Housing Quality and Work Responsibility Act of 1998 requires the Housing Authority to notify the Resident Advisory Board, the Board of Commissioners and the US Department of Housing and Urban Development of any "substantial deviation" or "significant amendment" in the Agency's Annual Plan and in the 5 -Year Plan proposed modernization and capital improvement activities that have been previously approved and reported to HUD.

The Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Board, to the Commissioners and to the public to advise them of any substantial deviation or substantial change in the overall Plan and any preplanned modernization work items.

Therefore, the Housing Authority hereby defines a "substantial deviation" as any deletion or addition of any modernization work item that is greater than \$25,000; the addition or deletion of any new or old program or activity; any changes with regard to demolition, disposition, or designation of housing units; any homeownership programs or conversion activities; and any changes to rent or admission policies (except changes made to reflect changes in HUD regulatory requirements). A "significant amendment" would be changes in the use of replacement reserves under the Capital Funds program or the addition of non-emergency work items not included in the current Annual Plan that is greater than \$25,000.

The Executive Director is assigned the responsibility of making the required notifications to all interested and affected parties as described above of any "substantial deviation" or "significant amendment" to the Annual and Five -Year Plans as well as notification to the public of any material change, that is not defined above, that, in his or her opinion, should be made known to the public as good business practice.

ATTACHMENT K - FOLLOW UP PLAN

The Housing Authority is required to provide a 'follow up' plan based upon the Resident Assessment Score for the year ended June 30, 2001.

Communications: The Executive Director has met with the Resident Advisory Board members to determine what problem areas that may exist. The Housing Authority will enhance its efforts to promote better communications with the residents on all matters that affect them.

Safety: The Executive Director has met with the Resident Advisory Board members to determine what problem areas that may exist. The Housing Authority has made a survey and cannot determine what the cause of the low score was.

Neighborhood Appearance: The Executive Director has met with the Resident Advisory Board members to determine what problem areas that may exist. The Housing Authority has determined that the low score for neighborhood appearance is due to residents that throw out trash, paper and garbage and do not pick it up. The Director will send out a notice to the residents to remind them to keep their yards clean and free of trash and debris.
